HOSPERS PRIORITY HIGHLIGHT

At Trinity Hospers, we feel God calling this church to operate together toward four key priorities. One of those priorities is: **Witness**.

The priority of Witness is to develop a strategy for reaching and connecting with the unchurched and dechurched. Trinity will work to create events and invest in key programs/ministries that will move toward the unchurched and dechurched. Trinity will also challenge and equip people to see their everyday lives as the primary arena for missional engagement (and let this be just as much about who we are as what we do).
