Small Groups:

Small groups are a key aspect of our church community with close to 200 people participating. Group sizes vary and mainly meet in members homes and have various meeting times. We want people to find a place to grow spiritually and connect with others.

Looking for a place to connect and find a sense of belonging? We have room for you! Check out our "Groups" page online at: connectwithtrinity.com. There are also other groups that are in the process of being formed. We want you to find a place that fits you.

Common Interest Groups:

Common Interest Groups are a great way to connect people who share an interest in the same thing. Be sure to check out the current groups, as well as let us know if you have an interest or passion and would like to start other groups. Some of our current groups are connecting people who enjoy running, quilting, scrapbook / crafting, mens basketball, rock climbing, motorcycle riding, conexiones, and heartland strategy. **Find out more information and sign up opportunities for Small Groups and Common Interest Groups at:** connectwithtrinity.com. WELCOME

TRINITYCHURCH
Connecting with God, others, and the world

At Trinity, we're working hard to help people connect with God, with each other, and with God's work in the world. We hope you experience that connection today.

WELCOME, FIRST-TIME GUESTS!

Welcome to Trinity Church! We are so glad you are here today. We prayed this week that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. If you're here for the first time, please stop at the Welcome Center. We'd love the opportunity to meet you. Thanks for coming today!

SUNDAYS AT TRINITY

8:15 a.m. Worship

9:30 a.m. Worship

10:50 a.m. Worship

You are here. This place. This season or stage of life. This set of circumstances and these relationships. This moment in time. Maybe you want to be here, wherever your "here" is, or maybe you don't. But what if God has a larger purpose in mind for you here? What if you could not only survive here but actually thrive?

Today we continue our sermon series "Thrive: Being the Church Where We Live, Work and Play." We're finding our own story in Jeremiah 29:1-14 and letting it shape the way we see our lives right here and now. **Pastor Brian Keepers** will focus this morning on what it means to dig down roots where God has placed us and bloom where we're planted.

THRIVE: Plant & Eat

Text: Jeremiah 29:1-14

THRIVE PRACTICES

WEEK TWO:

- Read Psalm 1 and John 15:1-11 every day this week (consider even memorizing it). Ask Jesus to show you how to abide in him today.
- Do a daily prayer walk through your neighborhood/dorm/college campus/workplace, taking time to stop and pray in front of each house and for people as the Spirit prompts you.
- Introduce yourself to any neighbors you haven't met. You may want to jot down their names and details they share so you don't forget. Take over cookies or a plant or produce from your garden.
- Invite one of your neighbors/dorm-mates/co-workers over for dinner or dessert. There is something special that happens when you eat together!
- Move towards a neighbor/co-worker/classmate who is difficult for you. Do something nice for them. Ask God to help you see them as “a gift.”
- Celebrate National Good Neighbor Day on September 28. Do something kind for your neighbors!
- Throw a block party. Invite other neighbors to help you plan it. If you rent a bounce house or a snow cone machine, you'll be the most popular person in the neighborhood!
