WELCOME, FIRST-TIME GUESTS!

SUNDAYS AT TRINITY

In his book *Emotionally Healthy Spirituality*, Peter Scazzero writes these provocative words: "Emotional health and spiritual maturity are inseparable. It is not possible to be spiritually mature while remaining emotionally immature." Most often, the places where we get stuck in our spiritual journey and the health of our relationships is beneath the surface, where we lack awareness. We don't know what we don't know. But what if God wants to heal and transform you from deep within? What if you could really live more fully into God's design for your life and your relationships?

Today our Children and Family Director **Kristin Brouwer** will invite us into the story of Joseph in jail (Genesis 39), where we discover how we can trust God and learn to surrender even when we don't understand or know what God is doing.
