TODAY AT TRINITY

8:15am Worship
9:30am Worship
10:50am Worship

The good news of Easter is that Jesus, the Risen King, is on the move! He's on the move out of the tomb and into the world—the everyday places where we live, work and play. And he commissions us, as his disciples, to be on the move with him! Today we continue our 5-week sermon series on Jesus's "Great Commission" (Matthew 28:16-20).

This morning **Pastor Bob De Boer** will explore what it means to "make disciples as we go..." All of this is centered on the three movements of Jesus—his move toward us, in us, and through us. We will look at the story of the disciples on the Emmaus Road in Luke 24:13-35 to catch a glimpse of how this call to disciple-making is accessible to all people.

100 YEARS OF TRINITY

Do you know how Trinity Reformed Church started? It was founded in 1919 when a group of around 25 families from First Reformed Church requested to establish a new bilingual church in Orange City that would hold services in both Dutch and English. (At the time, all services were held in Dutch.) The families desired to reach out to the younger generation while keeping connected to the older.

On February 24, two days after the request was made, a reply from First Reformed Church was written to the families in Dutch, expressing deep concern for the request and asking that the group reconsider moving forward with their plans.

The families held several meetings, always opening with prayer. There were many difficulties and oppositions to struggle against and overcome, but God indeed blessed their efforts.

A request was made to the Classis of West Sioux to establish Trinity Reformed Church. On July 15, 1919, the classis committee voted unanimously to proceed with the request. At that point, Trinity consisted of 58 members and 47 regular attenders. They became the charter members.

Services were held each Sunday at the Northwestern Academy chapel for the first 4 months. However, the need for a permanent place of worship was felt so a building committee was formed. With winter approaching, the congregation decided to construct a temporary building on the church grounds where property had already been purchased. This building was constructed in 4 days and became known as the Tabernacle (see pictures on the fellowship hall tv). The congregation worshipped in this building for 1 year and 4 months during construction of the permanent building.

Today Trinity has 562 members and around 450 regular attenders (which includes college students). We give God praise for his faithfulness.

TRINITY STORY WALL

100 years. That's a long time. One hundred years of stories, experiences, individuals, and God's faithfulness in the life and ministry of Trinity. Whether you've been here from the start or you're relatively new, you have your own stories and memories of how God has been at work through Trinity. Let's share those stories with each other! It might be someone who was influential to you. It could be a memory of something as simple as green carpet. It might be an experience you had or a way in which your faith was formed. **We invite you to visit the story wall (outside the sanctuary), take a slip of paper, write your memories, and pin them on the wall for others to see.** We all have a story to share. What's yours?
