WELCOME

TRINITYCHURCH
Connecting with God, others, and the world

At Trinity, we're working hard to help people connect with God, with each other, and with God's work in the world. We hope you experience that connection today.

WELCOME, FIRST-TIME GUESTS!

Welcome to Trinity Church! We are so glad you're here today. We prayed this week that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. If you're here for the first time, please stop at the Welcome Center. We'd love the opportunity to meet you and we have a gift to say thanks for being our guest. Thanks for coming today!

TODAY AT TRINITY

9:00am Worship

10:30am Worship

Each day we live out our lives. Our stories. Just as those who came before us. Our role models. Our examples. Our heroes of the faith.

And the stories of these heroes of faith we read about in the Bible are connected to our stories now. They are all tied together and caught up in God's big story. God is the real hero in this big story, but we each have a part to play.

So let us fix our eyes on Jesus as we run the race set before us, remembering that our stories are part of a much bigger story. God's story is the story in which we all find ourselves.

Today **Pastor Brian Keepers** will share with us the story of Moses. Moses is regarded as one of the greatest prophets and leaders in the Old Testament. He shows us that "walking by faith" is a call to courage when the pressure is on and our faith is under fire. Moses trusted that God was with him, and that God would make a way when there seemed like there was no way.

100 YEARS OF TRINITY

Did you know that one of Trinity's core values is hospitality? Our mission is to connect people with God, others, and God's work in the world. At Trinity, intentional hospitality plays a key role in our desire to connect people with others.

On Sundays, whether it's from a greeter, usher, coffee server, or someone else in the building, we hope every visitor receives a warm and genuine greeting and knows that Trinity is a place where they are welcome, and a place where they can belong.

A key aspect of hospitality at Trinity includes the coffee ministry. This Sunday morning coffee fellowship began in 1971 in the basement of the old building. Over the years it moved to the narthex, then to the north lawn in the summers, and even to the south side of the building during construction. Today the coffee ministry continues to be an opportunity for hospitality and fellowship.

There have been several other activities and events over the years that have encouraged fellowship and connection within Trinity. This includes youth sponsored soup & spaghetti suppers, Advent meals and activity evenings, Suppers for 8, Heartland Strategy game nights, and Easter breakfasts. More recently we have added Wednesday night meals during the school year.

We know how hard it can be to feel like you belong, especially in a new place. That's why we value hospitality and are intentional about making guests feel at home. It's our hope that these moments of hospitality lead to lifelong connections and relationships for everyone who walks through our doors.

It's this connection and participation that we hope will lead to meaningful relationships with both God and others.

God's Story, Our Story: Courageous Faith

Hebrews 11:23-29

TRINITY STORY WALL

100 years. That's a long time. One hundred years of stories, experiences, individuals, and God's faithfulness in the life and ministry of Trinity. Whether you've been here from the start or you're relatively new, you have your own stories and memories of how God has been at work through Trinity. Let's share those stories with each other! It might be someone who was influential to you. It could be a memory of something as simple as green carpet. It might be an experience you had or a way in which your faith was formed. **We invite you to visit the story wall (outside the sanctuary), take a slip of paper, write your memories, and pin them on the wall for others to see.** We all have a story to share. What's yours?
