ENFOLDING UPDATES

As Trinity continues to move toward enfolding with First Hospers, becoming one church in two locations, we will use this section of the bulletin to keep you up to date on the latest in the process, opportunities to get involved and to know our brothers and sisters in Hospers better, as well as just some information to get to know the church of First Hospers.

Trinity just celebrated our 100 year anniversary, but did you know that First Reformed Church of Hospers had already been doing ministry for over 32 years when Trinity began? First Hospers was organized on December 9, 1886 and they began worshipping in their current location in 1918. Between Trinity and First Hospers, we share over 230 years of history in reaching our communities with the light of Christ!

WELCOME

TRINITYCHURCH
Connecting with God, others, and the world

At Trinity, we're working hard to help people connect with God, with each other, and with God's work in the world. We hope you experience that connection today.

WELCOME, FIRST-TIME GUESTS!

Welcome to Trinity Church! We are so glad you're here today. We prayed this week that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. If you're here for the first time, please stop at the Welcome Center. We'd love the opportunity to meet you and we have a gift to say thanks for being our guest. Thanks for coming today!

TODAY AT TRINITY

9:00am Worship

10:30am Worship

Each day we live out our lives. Our stories. Just as those who came before us. Our role models. Our examples. Our heroes of the faith. And the stories of these heroes of faith we read about in the Bible are connected to our stories now. They are all tied together and caught up in God's big story. God is the real hero in this big story, but we each have a part to play. So let us fix our eyes on Jesus as we run the race set before us, remembering that our stories are part of a much bigger story. God's story is the story in which we all find ourselves.

Change is inevitable. It is simply part of life, for better or worse. But what makes all the difference is how we handle change. Will we grow through it, and become more of who God desires us to be? Or will we resist, shrink back in fear and become less? Today, **Pastor Brian Keepers** will share with us the story of David, one of the greatest heroes of the faith, and the way he chose to grow and mature through change. The good news is that no matter what kind of change we face, no matter how hard or scary, like David we, too, can "lengthen our stride and widen our embrace."
