### WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We have prayed this week that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Make sure to grab a cup of coffee from our welcome center or join us for a time of fellowship after the morning service. We'd love to get to know you.

Today we begin a new sermon series on Paul's Letter to the Philippians. And one of the main themes of Philippians is that we can find joy regardless of our circumstances. **Pastor Kurt Bush** will be exploring with us today the opening of Paul's letter, where we see that one key to experiencing joy is learning to practice gratitude and to give thanks to God at all times.

## ONE CHURCH, TWO LOCATIONS

The Church is not a building but a community of people. The people of Trinity gather at multiple times and in different locations throughout the week. While there are some slight differences between campuses, what unites us is our shared mission to connect people with God, others, and the world. We invite you to try whatever campus or worship service works best for you and your family.
