WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We have prayed this week that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Make sure to grab a cup of coffee from our welcome center or join us for a time of fellowship after the morning service. We'd love to get to know you.

Today **Pastor Kurt Bush** will reflect with us on what it means to "live with joy." As we dig into Philippians 1:19-30, we'll see that Paul was able to live all of his life with joy because he knew how the story was going to end. No matter how hard it got in the middle, knowing that it would end well gave him the strength and courage to joyfully point others to Christ and engage God's mission HERE and NOW.

ONE CHURCH, TWO LOCATIONS

The Church is not a building but a community of people. The people of Trinity gather at multiple times and in different locations throughout the week. While there are some slight differences between campuses, what unites us is our shared mission to connect people with God, others, and the world. We invite you to try whatever campus or worship service works best for you and your family.
