WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We have prayed this week that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Make sure to grab a cup of coffee from our welcome center or join us for a time of fellowship after the morning service. We'd love to get to know you.

Today **Kristin Brouwer** will reflect with us on what it means to shine like stars in the universe. As we dig into Philippians 2:12-18 we will see what it means to work out our faith. We will look at what we have to do and what God is doing as we work out our faith with joy.

ONE CHURCH, TWO LOCATIONS

The Church is not a building but a community of people. The people of Trinity gather at multiple times and in different locations throughout the week. While there are some slight differences between campuses, what unites us is our shared mission to connect people with God, others, and the world. We invite you to try whatever campus or worship service works best for you and your family.
