TRINITYCHURCH

Connecting with God, others, and the world

June 14, 2020

WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

We live in a culture where there is so much pressure to keep up appearances, to make it look like we have it all together. But the truth is, there is no perfect family. Every family system has both strengths as well as brokenness and unhealthy patterns. This is true in the Bible as well. Today, as we begin a new sermon series on the story of Jacob's family, we will see that God works through the flaws and brokenness of our families to accomplish his bigger purposes. Not only does God work through our families, but God desires to work his good in our families so that all of our relationships might be healthy and truly flourish.

ONE CHURCH, TWO LOCATIONS

The Church is not a building but a community of people. While there are some slight differences between our campuses, what unites us is our shared mission to connect people with God, others, and the world. In this season, even as we are dispersed for worship in many locations, remember that you are connected to a larger body in Christ by the Spirit.
