WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

Intended for Good: The Necessity of Change

In order for us to better understand what God is up to in our lives and in this world, it is going to require us to change. If we want to know how God works, we have to change. This is so because God has a plan for who we are becoming. We'll see that in the life of Joseph, in the life of his entire family, and in the systems and cultures we meet in Genesis 37. Throughout the Bible, God meets people where they are, habits and hang ups and all, and then introduces them to a new way of being. All this requires change. God's ways so many times seem unorthodox, mysterious, and even confusing. That's not because He's trying to hide things from us; it's because He wants us to try a new way of seeing things. And the story of Joseph gives us a great example of this.

The Church is not a building but a community of people. While there are some slight differences between our campuses, what unites us is our shared mission to connect people with God, others, and the world. In this season, even as we are dispersed for worship in many locations, remember that you are connected to a larger body in Christ by the Spirit.
