

ANNOUNCEMENTS

21 DAY SOCIAL MEDIA/NEWS BREAK

Over the course of our August series “disConnect”, we invite you to **disconnect from something (or several things) that may be hindering your relationship with God and others.** This might be social media, entertainment content (Netflix, Hulu, tv), news consumption, etc. Trinity will also take a break from posting on social media, though you will still be able to find a live stream of our services on Facebook. Our hope is that by disconnecting in these ways, we can create space to deeply connect with what matters most: our relationship with God and others.

WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

disConnect: Connection with Others

Today we continue in Mark's Gospel and our August series 'disConnect', where **Pastor Kurt Bush** will explore with us another snapshot of Jesus' ministry and aspect of our mission as a church. As we go through Mark 1:40-2:12, we'll look at Jesus' action in the lives of two of the most disconnected people from his time on earth: a leper and a paralytic. In just a moment, Jesus removed the barriers that kept them disconnected from others for so long. Jesus, by dying to remove our sin and becoming the cornerstone of our very identity, does this very same thing for us. We'll explore what might be causing the disconnect we currently feel from others and how the living Jesus brings real, authentic connection with others—even today!

We invite you to try whatever campus or worship service experience works best for you and your family.
