# TRINITYCHURCH

Connecting with God, others, and the world

**September 13, 2020**

### WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

### Resilient Faith: Living with Purpose

Life is hard, the path can be confusing, and so often the terrain is dangerous and uncertain. There will be times when we stumble or get knocked down. And there will come a point when we are so exhausted, we are tempted to give up and quit. But God calls us to get back up and keep going. The life of discipleship is a call to build resilience, to live with perseverance, and to grow up in full maturity in Christ. Today we begin our fall sermon series on the New Testament book of Ephesians titled, "Resilient Faith." **Pastor Kurt Bush** will explore with us the opening chapter of this remarkable letter, helping us see that God gives us a grander vision for our lives so that we might live with purpose.
