

# Ephesians Reading Plan

Meditation on God's Word is a foundational spiritual practice that informs and directs many of the other practices. This reading plan is meant to help us meditate on God's word throughout the sermon series. The pace is slow, allowing us to digest it as the prophets Ezekiel and Jeremiah talk about when they say they "eat the scroll." God's word is the nourishment that equips and empowers us to live the life of a disciple. Allow God's word to direct you as you listen for the ways God is inviting you to practice and apply each week's spiritual practice.
