FALL SPIRITUAL PRACTICES FEEDBACK

We are grateful for your engagement in the spiritual practices this fall! If you engaged the practices utilizing the bulletin insert, visiting the website landing page, or by receiving our weekly emails, we ask that you fill out a short survey to give us feedback on your experience. **Please visit connectwithtrinity.com/adults to find the survey.** We welcome your feedback. Thank you!

FAITHWALKING OPPORTUNITIES

If you would like to further engage the work of emotional and spiritual maturity in your own life, we invite you to participate in a Faithwalking module this winter. Six modules will be offered, each with a different focus: awareness through self-discovery, authenticity, managing anxiety, emotional maturity, integrity, and living on mission with God. The first module starts on January 18. More information about these opportunities can be found at connectwithtrinity.com/adults.

CHECK YOUR CHURCH MAILBOX

With the distribution of many holiday cards this time of year, we encourage you to check your church mailbox for anything that has been left for you.

TRINITYCHURCH

Connecting with God, others, and the world

January 3, 2021

WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

The Christian's Epiphany

What should we talk about after a year like 2020? What should we discuss as we look forward to a better year without so much change and without so much divisiveness? It might be helpful to talk about light. Yes, there is darkness. Yes, there are many things in this world for which we can mourn and complain and throw pity parties. But today we'll talk about light. That doesn't mean we ignore the darkness; we can't be ignorant. It doesn't mean we pretend that darkness doesn't exist. But when we talk about light, you might be amazed to discover what that conversation does to the darkness itself. Today, **Pastor Ben Vos** will read through the first 7 verses of Isaiah 60 with us, and talk about this light.
