WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

Cultivate: Peace

This morning, we begin a new sermon series called "Cultivate: Life In The Spirit" in which we'll explore together the fruits of the Spirit that Paul writes about in Galatians 5. Coming out of Easter Sunday, with Jesus on the loose through the power of God with him, the Easter story is finished IN and THROUGH us. As we go forward in our mission to finish that story in our community, one question we must ask in order to be effective is: "who are we?" The fruits of the Spirit help us answer that question. Today **Pastor Kurt Bush** will help us walk through what it means to cultivate the fruit of peace in our lives. In a world that doesn't often know peace and wholeness, Jesus makes peace and wholeness a reality for us as we follow him with our lives.
