TRINITYCHURCH

Connecting with God, others, and the world

May 2, 2021

WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

Cultivate: The Fruit of Patience

Today, **Pastor Kurt Bush** will explore with us the fruit of patience as we continue engaging the fruit of the spirit. Maybe patience is something you've always wanted; maybe it's something you notice when others lack, or maybe it's something that God has already gifted you with. No matter which is true for you, the fruit of patience—as seen revealed by God and in the person of Jesus—shows us a different picture of patience than we might typically understand. Typically, patience carries with it a sense of giving up control, or being acted upon. Today, rather than building a patience that simply puts off or slows down our anger and frustration, we'll explore how we might cultivate patience not as a point of waiting, but in a way that sees the process of growth in the Spirit as transformation in itself.
