Connecting with God, others, and the world

June 6, 2021

WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

Cultivate: The Fruit of Self-Control

The very last fruit of the Spirit that Paul writes about in Galatians 5 is self-control. In our text today, Peter refers to it as discipline. Have you ever wondered why something that God promises in us might sound so "self" focused? Today, **Pastor Kurt Bush** will explore this fruit of self-control and the idea that maybe it isn't about controlling ourselves at all, rather allowing ourselves to be controlled by the Holy Spirit; that cultivating the fruit of self-control means giving up control of ourselves to the one who is capable of shaping our hearts and habits. And that in doing so, we may live out the call to love one other, practice hospitality, be stewards of grace, and serve one another.
