### WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

### An Account of Hope!

Have you ever noticed how often we use the word "hope?" Stop and think about it—we use that word a lot! We hope it rains. We hope our kids get into a good school and get a good job. We hope our marriages grow deeper. But have you ever wondered where our deepest and foundational hope lies? Today, **Pastor Kurt Bush** will look at Peter's invitation to early Christians, and to us, to be prepared to give an account of the hope that is in us—the hope found and grounded in the person of Jesus Christ. Together we'll explore what this hope looks like as followers of Jesus and how Peter's invitation to share with "gentleness and reverence" impacts our lives of discipleship. May we accept Peter's invitation and share the hope we have in all the places God has put us today!
