### WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

### When We Read Scripture Wrong

Today as we continue our Refuel sermon series, where we are engaging passages of scripture that have been transformational for our preaching team and congregation, **Andy Keller** will share from Matthew 25:14-30. This parable of the bags of gold—often referred to as the parable of the talents—is a passage of scripture that came to be a barrier in Andy's own growth and transformation, as he made the wrong meaning of what this passage meant. Today Andy will explore with us how making the wrong meaning of scripture can be a barrier for our own transformation and ability to hear God's voice.
