WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

The Otherness of God

Scripture is neither primarily about finding characters within stories to emulate nor combing through books like Jonah to pull out behaviors and traits that please God. Primarily, Scripture is about God revealing himself to us, and giving us a picture of his heart, his purposes and his Kingdom. Today, **Pastor Kurt Bush** will be exploring the last chapter of the small Old Testament book of Jonah to see what it has to show us about God. As Jonah continues to run from God and show up angry at God, God shows himself to be completely other in terms of will and purpose. God shows himself to be completely sovereign, extraordinarily compassionate to those near to him and far from him, and One who achieves his purposes even when humans fall short. So, let's look together this morning at God's otherness and how that influences our own discipleship!
