WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

Faith and Works

The short New Testament book of James is a theologically dense and rich book for us to dwell in as disciples of Jesus. One of the most well known theological issues that James writes about is the question of what role works play in our life of faith. Can works save us? Can faith without works save us? What is the origin of the works and fruit that are seen in our lives? Today, **Pastor Kurt Bush** will explore these questions as we allow the Holy Spirit to use James 2 to teach, delight, persuade, comfort and even challenge us together!
