LOCAL NEEDS TEAM

Trinity's Local Needs Team assists people at Trinity and in the community with immediate, emergency and/or unexpected needs.

Part of what it means to be the body of Christ is that we recognize we all have needs. Admitting that you need help is not a sign of weakness. It points to our interdependence as brothers and sisters in Christ.

Financial Support

If you are facing financial challenges, please fill out a local needs request form at **connectwithtrinity.com/needs** so that our Local Needs Team can come alongside you.

WELCOME!

The Old Testament book of Nehemiah is a story about God's faithfulness to bring His people, Israel, home after a long period of exile. God calls two key leaders, Nehemiah and the priest Ezra, to rebuild the holy temple and the wall of Jerusalem, which lay in ruins. Even more importantly, these two leaders are called to join God in rebuilding a holy people—a covenant community that remembers who and whose they are, as well as their calling to be a light to the nations. So, as the body of Christ we are called to rise up and join God's work of building for His kingdom. Ultimately, God is building us into a kingdom people for His glory and for the sake of the world.

Rise and Rebuild: "God Will Provide!"

Today on this second Sunday in our new sermon series, **Pastor Brian Keepers** will explore with us Nehemiah 2:1-10. We've seen from the beginning that Nehemiah is a person of deep faith. As he discerns God's call to go to Jerusalem and rebuild the ruined city, Nehemiah will have to step out in faith and trust God to provide everything he needs. But does this kind of faith mean that he doesn't need to do the hard work of making plans and getting prepared? Which is it—pray or work? Have faith or make plans? In this part of our story today, Nehemiah shows us that these two things—prayer and work—are not mutually exclusive. When God's will is at the center, faith and planning make for a very happy marriage! "Commit your work to the LORD," says Proverbs 16:3, "and your plans will be established!
