Connecting with God, others, and the world

November 14, 2021

WELCOME!

Welcome to Trinity Church! We're so glad you are joining us today, whether this is your first time worshipping with us or you have been with us for years. We pray that all who enter our doors would experience the life-changing, eternity-altering love of God through Jesus. Whether you're joining us online or on campus, thank you for being here!

Discernment: "Practices"

Last week, we learned together what it means to discern wisely; to distinguish between that which draws us TO God and that which draws us FROM God. Today, **Pastor Kurt Bush** will help us explore a number of practices that will help us participate in our own ongoing personal transformation that leads to growth in our capacity to discern wisely. These practices are not "pro tips" on how to discern, but rather practices that lead us to BECOME people who discern wisely.
