Update from **Patrick Hummel**: *The stimulators put into my brain in November have significantly improved my quality of life and I have been able to reduce my medication intake by half. The hope is future adjustments will allow for more decreases in medication. We as a family thank you for your prayers and encouragement during recent months. We thank God for placing us in His church with saints like you. It is more than we deserve and yet it is what He has done. Thanks be to God!*

Pray for **Dexter Wiese** and his family as they consider a possible surgery.
