

Bible Reading Plan

Hospers Campus

As we walk through our DNA series as a church, we invite you to engage with scripture as we look to have our values shaped by God's Word, not the other way around. As you read each passage here are some questions to help you reflect:

1. What does today's Scripture have to teach us about this week's core value?
2. What do you hear God saying to *us*, as a church, through this Scripture?
3. What do you hear God saying to *you personally* through this Scripture? How will you respond today?
